

April 13, 1978

SENATOR RASMUSSEN: Well, Senator Schmit, we at one time had a lot of guys, fly-by-night guys, distributing what we called nothing-nothing and since legislation has come along that has completely disappeared and I wonder if as Senator George says, we won't be opening a door back up for some more of those guys driving through the neighborhood and selling stuff. There's another thing in here too, Senator Schmit. Why have such a, on the label, just so the label is known by the farmer? Do you think that's kosher? It doesn't say what's in it. It's just so you know the label. I really think we might be taking a step in the wrong direction here.

SENATOR SCHMIT: You're entitled to your opinion, Senator, but I think that when the bill was heard before the committee and Alice Licht from the Grain Dealers testified against the bill but she can't tell me exactly why she doesn't want the amendment. I've talked to fertilizer dealers and I handle a little fertilizer myself. I find nothing wrong with the bill. Again, Mr. Abel, the attorney for the Department of Agriculture says the bill tightens the labelling requirements and that's good enough for me.

SENATOR RASMUSSEN: I just feel a little bit uncomfortable with the amendment is all, Senator Schmit. I'll probably oppose you on the return.

SENATOR MILLS: There are no other lights, Senator Schmit. Do you wish to close?

SENATOR SCHMIT: I have no closing, Mr. President.

SENATOR MILLS: I want to remind you the House is under Call. The motion is, shall 692 be returned for specific amendment. All Senators who are in the rotunda please return and there has been a request for a roll call vote. Would all the Senators please record their presence? We are on Final Reading. The House is under Call. Is Senator Keyes present? Senator Hefner. Senator Venditte. Senator Labedz. Senator Kennedy. Senator Burrows. Senator Duis. Senator Moylan. Senator Murphy. Senator Simon. Senator Chambers. Senator Chambers, Simon and Hefner, please return to the Chamber. The Sergeant at Arms will find those members of the Legislature. While the Legislature is waiting for those three to return, it is my pleasure to introduce to you under the south balcony from Big Springs, Nebraska, Edward and Lorie Hobleman. Will you please stand and be recognized? Senator Goodrich, do you wish for those others to return before the roll call? The Clerk will call the roll.

CLERK: Read roll call vote found on page 1925 of the Journal. 32 ayes and 6 nays on the motion to return, Mr. President.

SENATOR MILLS: The motion carries. The bill is returned. The question now is the adoption of the amendment. All those in favor of the amendment vote aye. Those opposed vote no. Have you all voted? Have you all voted? Record. Motion is adopted.

CLERK: 30 ayes, 8 nays, Mr. President.

SENATOR MILLS: Senator Schmit.
